HOSPITAL SYSTEM

April 12, 2018

To: Karl Todd

I just wanted to send Kudos for Jerry and thought you should know these things. Jerry has really grown and shown great leadership. He is always polite and willing to do what it takes to get the job done right. Jerry makes great recommendations on what is the best way to get the job done. He goes above and beyond to make sure CHS is happy with the job once it is completed.

Thank you,
