To whom it may concern:

Structured Cabling Solutions, Inc. (SCS), has been conducting business in the South Florida area since April, 1998 for the State of Florida as a Telecommunications contractor in an outstanding manner.

SCS has provided us with top notch quality service in the design and installation of our unshielded twisted pair (UTP) premise distribution systems including conducting rigorous EIA / TIA compliance testing.

If I can provide any additional information concerning SCS, please feel free to call the undersigned.

Sincerely yours,

J.C. Balsera
