Value Proposition:

Provide expert in house Estimating, Project Management, and Deployment capabilities for large campus telecommunications network infrastructure projects. SCS offers an integrated, seamless experience to our enterprise and public sector clients for new building in any construction phase.

Clients (Partial):

Past Performance (Partial)

AMERICAN AIRLINES ARENA

SCS installed infrastructure for approximately 8,200 voice and data drops throughout the Arena. Under a tight deadline, SCS built out of the entire intermediate distribution frame (IDF).

Location: Miami, Florida
Project Cost: \$ 1.37 Million
Scope: Voice and data drop installation

CLEVELAND CLINIC

SCS manned the full integration of their medical campus, including diagnostic centers, outpatient surgery and a 24-hour emergency department located in the state-of-the-art hospital.

Location: Weston, Florida
Project Cost: \$1.59 Million
Scope: Voice and Data Cabling

PORT EVERGLADES CRUISE TERMINAL IMPROVEMENTS

SCS installed a CCTV system for Terminal 26, completing all installation and terminations for an integrated IP security camera and surveillance system. Turnkey solution provides safety and security with video signals throughout 29 cameras connected via Cat6 cables with video management software.

Location: Ft. Lauderdale, Florida
Project Cost: \$131,225
Scope: Turnkey Engineer, Furnish and Install (EF&I) camera surveillance system

DELTA AIRLINES CALL CENTER

SCS installed more than 1,200 voice and 1,200 data lines into the two-story complex. This fast track installation was completed on time with Change Orders amounting to less than 2% of the project.

Location: Miramar, Florida
Project Cost: \$1.15 Million
Scope: Voice and Structured Data Cabling

MIAMI CHILDREN'S COURTHOUSE

SCS installed voice and data cabling across 371,000 square feet and 14 stories for the Children's Courthouse in Miami-Dade County.

Location: Miami, Florida
Project Cost: \$1.28 Million
Scope: Voice and Structured Data Cabling

SUPPLIER DIVERSITY CERTIFICATIONS:

- NMSDC MBE Certification # FL50540
- SBE Certification
- FDOT DBE Certification
- Miami Dade County CBE Certification
